Premium Roast Coffee Bean Fundraisers

Fundraising can be a crazy time of year for everyone. That's why we try to make it as simple as possible for our groups. One way we set ourselves apart from all other companies is that we separate your orders for you. When we deliver to the location of your choice, the boxes will come with the persons name on the outside of the box all ready for them to pick up. There is also no charge for delivery.

Coffee bean fundraisers are a unique fundraiser to raise money for your organization. Our premium roast coffee beans are freshly roasted for your orders. They are packaged in 1 lb. bags and labeled according to flavor. The first column is our regular coffee, the next column is our decaffeinated coffee, and the third column is our kona style coffee. There will always be 4 to 5 other flavors of beans for the customers to pick from. The flavors of beans will be rotated continuously to keep the fundraiser fresh and new. The customers can get them as whole beans or we will grind them as well. As you look at the order form you will see two columns labeled WB or GR, depending on which way they want it. We offer this fundraiser year-round, but the optimal time for sales is around the Easter and Christmas season.

Cost of Coffee Beans:

Regular Coffee - \$11.00

Decaf Coffee - \$11.00

Kona Style - \$11.00

Flavored Coffee - \$12.00

Suggested selling price of 1 lb. of coffee is listed on the order form. All orders must be called in to me 2 week before the delivery date. Any questions that I can help you with please feel free to call at anytime. Thanks for the business.
